Holly Purvis

Pensacola, FL | 707-239-4086 | hollypurvis.com

WORK EXPERIENCE

Footbridge Media   **Pensacola, FL**

Web Developer   May 2023 - Present

- Developed and produced websites in close collaboration with cross-functional teams using agile delivery methods
- Ensured that HTML, CSS, and JavaScript code is consistent across all web applications and browsers.
- Improved and optimized existing code and performed CMS upgrades on pre-existing websites
- Assisted the web support team to resolve complex technical issues.

Web Support   September 2021 - April 2023

- Provided technical assistance and website maintenance to over 200+ clients
- Assisted clients with implementing best SEO practices to improve website rankings
- Launched new client websites and installed webmaster tools
- Updated DNS records, created client hosting accounts, and oversaw the timely renewal of SSL/TLS certificates

EDUCATION

University of West Florida   **Pensacola, FL**

2017 - 2021

Bachelor's of Science, Information Technology

- Honor Roll

PROJECTS

Portfolio Website

hollypurvis.com | GitHub
- This is a portfolio website that I created to showcase my skills, experience, and information.
  Skills: HTML, SCSS, JS, Node.js, React, AWS S3, AWS Route53, Git

Travel Checklist

https://hollypurvis.github.io/travel-checklist/ | GitHub
- This project I created to help me keep track of things I needed to pack for traveling. Integrated a REST API that allows the users to search and find activities to do in the country they are visiting.
  Skills: HTML, CSS, JS, REST API, Bootstrap, Git

SKILLS

HTML, CSS, JavaScript, PHP, MySQL, SQL, AWS, Node.js, React, jQuery, Git, Bootstrap, Unix/Linux
